Dear Ms Valdheima,

On behalf of the Board of the Association of European Cancer Leagues (ECL), I am pleased to inform you that your application to join ECL has been unanimously approved by the Members at the time of the Extraordinary General Assembly on June 24, 2019 and to welcome O Fonds as a full ECL member. We appreciate the knowledge and expertise O Fonds will bring to the network and share the conviction that a close collaboration is essential to ensure equal access and better outcomes for cancer patients across Europe.

This year, the ECL Annual Conference and the General Assembly will be held on November 28-29 in Luxembourg, kindly hosted by the Fondation Cancer. Further information will be sent shortly.

In the meantime, O Fonds is invited to participate in ECL working groups and to contribute to ECL strategic priorities, in line with O Fonds international focus.

We look forward to a long and productive relationship between our organisations to the benefit of cancer patients and their family.

With best wishes,

Sakari Karjalainen  
President, Association of European Cancer Leagues (ECL)  
Secretary General, Cancer Society of Finland and Cancer Foundation Finland
